California And The Ku Kiux

Log dropoler Times

It is inconceivable that the citizens of California would, for oir neumen permit such bloody and violent outrages upon any class of our residents or upon any individual member of an alien race as were practiced by the Ku Kur Kin in the South. Whatever offenses against law and order may be committed in this State are amply covered by our system of instee and can safely be left to its proper administrators. We have no need for a Ku Khr Klam to add in the settlement of the Japanese question: we have inc desire to see the fair name of our State tarnished by fawless weret organizations. There may be room-for a society to add in maintaining the supremacy of the white race-but it is not through blarting crosses, white-draped and masked riders and threats of mysterious reprisals that the supremacy of any race can be maintained or advanced.

Quite A Contrast In Justice

What pokes to us like a strange case of administering justice was called to not attention a few days ago through a newspaper report of fow contricitions of first-degree robbers in the Gernat Court, here last upon the contribution of the defendants was a white man, who was convicted of robbing a man of \$300. He was sentenced to Serve a man of \$400. He was sentenced to Serve a Utyper term in the positionary. The Negro was contricted of a drugsture robbers of \$400. He was sentenced to serve a Utyper term in the positionaries.

A statement of the case as reported in the day press;

"on highwayment were convicted of first-degree robbers by juries in the Circuit court yesterday and were sentenced to the pennentary."

"James Regan of 1821 South Broadway was given a five-year restorace, in Judge Landwehr's court, for holding up Capt, James Philips of the Steamer J. M., at SecOnd and Morgan streets, fast Aug. 13, string him on the head with a revolver and rubsing him on at \$40. Rema adveited that on Feb. 25, 1919, he pleaded guilty to carrying a combeled weapon and was fined \$100.

"Will Estev, a Negro, of 22th Walnut street, was sended to 10 arrs by a jury in Judge Harbaman's court. He and another Negro, who are the restaurant of Toney Agrees 1600 South Jefferson avenue, set November and obtained \$100. William Tally, another Negro, who can indicate with Exter on the same charge, stock a severance and has no west been street."

bench?

No one can read the shove stalement in the light of facts given he news frees, without feeting that something is wrong with juntice. The case sammarized: The Kegto gets ten years for thating past (see 1964) obtain orders; the white sam gets for years for role a man of three bounded (\$300.00) dollars. Quite a constant is

Make your skin bright, healthy and beautiful

It is the aspiration of all women of culture and intelligence to attain beauty

A smooth, clear complexion of delicate soft-ness, free from blemishes and blackheads, is indicative of intelligent care and refinement.

Dr. Fred Palmer's Skin whitener preparations are sought by the most fastidious women, as the means of lightening, healing and beautifying the skin. They are absolutely harmless, entirely free from vaseline, and will not promote the growth of hair upon the face.

The Dr. Fred Palmer method of beauty treatm if used with regularity, promises a reward that will warrant its systematic use.

You can accure a complete set of Dr. Fred Palmer's Toilet Preparations from your druggist,

First, steam the face, neck, hands and arms thur-oughly with a turkish towel, as hot as the skin, can bear. Repeat this three or four times. Then rub Dr. Fred Palmer's Skin Whitener Soap gently into the skin, and then rinse off thoroughly into the skin, and then rinse off thoroughly with hot water.

Next, with the finger tips, thoroughly rub Dr. Fred Palmer's Skin whitener into the skin. Dr. Fred Palmer's Skin Whitener has earned for itself a reputation never attained by other skin-creams. It is made by competent chemists, and only the best of each class of ingredients is used. It is creamy, white, smooth as velvet, sweetly perf

After rubbing the Skin Whitener in thoroughly, until it is absorbed by the skin, apply Dr. Fled Palmer's Skin Whitener Powder, a dainty, sweetlyscented face powder, that protects the face fro sun-burn or chafe, and enhance the lightness

In ten days or R week's time, the effect of this treatment will be noticed. Blackheads, blemlahes and discolorations will disappear. Gradually thackin will take on a lighter, brighter tinge that radiates healthfulness and beauty.

In addition to the soap, cream and powder, Dr. Fred Palmer has prepared a holt dresser that is without equal for straightening, softening and increasing the growth of the hair. Only a hair dresser par-excellence would be marked with Dr. Fred Palmer's name, which has always stood for quality in tailet preparations.

There are many imitations of Dr. Fred Palmer's preparations, so be sure to ask for them by full
